Declaration of Compliance

Toxic Substances Control Act

As a manufacturing entity, B&B Manufacturing understands our role as good stewards of our environment. We recognize that our products are used globally and that our customers expect our products to adhere to standards and regulations wherever they may be used.

B&B Manufacturing manufactures and sells gears, belts, timing pulleys, and other power transmission components. Our products are mechanical components. Under normal conditions of use our products do not emit chemicals or other substances. To the best of our knowledge our manufacturing processes do not incorporate or use any of the chemical substances governed by this regulation.

Specifically, we do not intentionally add these chemical substances during manufacturing of our products:

- ❖ Pentachlorobenzenethiol
- ❖ Decabromodiphenyl ether [decaBDE]
- ❖ Isopropylphenyl phosphate (3:1)
- ❖ 2,4,6-Tri-tert-butylphenol
- ❖ Hexachlorobutadiene

This letter is our declaration that products produced and sold by B&B Manufacturing are compliant with the United States Environmental Protection Agency regulation commonly known as the Toxic Substances Control Act.

This declaration is effective from January 1, 2026 through December 31, 2026.
