Declaration of Compliance

Perfluoroalkyl and Polyfluoroalkyl Substance

B&B Manufacturing, Inc. recognizes our role in utilizing sustainable manufacturing processes and the impact we have on the environment. We believe in being a good neighbor in our local community and a reliable partner in providing industry leading products to our global customers.

To the best of our knowledge, B&B Manufacturing, Inc. does not intentionally add Per- and Polyfluoroalkyl Substances (PFAS) during the manufacture of our products. B&B does not test for the presence of these chemicals; we control the inputs to our manufacturing processes.

It is possible that some plating, such as but not limited to Nickel, may have PFOS/PFOA chemicals present.

This declaration is based upon information provided to us by our raw material and finishing process suppliers.

Sincerely,

Kalvin J. Morrison
Quality / Continuous Improvement Manager
