Declaration of Compliance
REACH Annex XVII
Parts manufactured from Aluminum

B&B Manufacturing, Inc. declares that any parts manufactured from aluminum, that do not undergo any additional finish or treatment, that are produced and sold by us is compliant with the European REACH directive – Annex XVII.

This declaration applies to 2000-series, 5000-series, and 6000-series aluminum.

B&B Manufacturing, Inc. does not intentionally add any substance to the material during the production of aluminum parts that would render them non-compliant.

This declaration does not cover aluminum parts that are subject to additional finish or treatment, such as but not limited to Anodize (clear or colored).

This declaration covers the **77 entries** listed as of **June 19, 2025**, and is effective until such time as the list is updated.

Sincerely,

Kalvin J. Morrison
Quality / Continuous Improvement Manager
B&B Manufacturing, Inc.
