Declaration of Compliance
REACH Annex XVII
Fiberglass Reinforced Neoprene/Rubber Belts

B&B Manufacturing, Inc. declares that any fiberglass-reinforced Neoprene-Rubber belts produced and sold by us is compliant with the European REACH directive – Annex XVII.

B&B Manufacturing, Inc., does not manufacture the material from which the belts are cut-to-size. As such we maintain declarations from our raw material suppliers, to support this declaration.

B&B Manufacturing, Inc. does not intentionally add any substance to the material during the slitting operation that would render these belts non-compliant.

This declaration covers the **77 entries** listed as of **June 19, 2025** and is effective until such time as the list is updated.

Sincerely,

Kalvin J. Morrison
Quality / Continuous Improvement Manager
